

TAGLIO | SALON

TAGLIO SALON REOPENS FRIDAY, MAY 8, 2020 | COVID UPDATE

Taglio community - your safety and the safety of our staff is extremely important to us. With that in mind, we will maintain our industry-regulated standards and have chosen to add a variety of procedures upon the salon's reopening. Additionally, we are following the government-issued guidance for barbers and cosmetologists. Please note that while most of these initiatives are only temporary, others may become the new normal for a while.

- **Sanitizing & Health** - All clients must apply hand sanitizer at our sanitization station upon entering the salon. We will be cleaning surfaces and touch-points throughout the salon regularly. All staff members will be temperature-screened upon arrival each day and will continue to sanitize their hands before and after each service.
- **Social Distancing** - Please arrive at your scheduled appointment time. Call to let us know you are here and we will let you know when to enter the salon. In order to maintain social distancing, we will be using every other station at our color bar and our cut stations remain 6 feet apart. We will also distance guests at wash-stations. There are ground markings to help delineate social distancing by the front desk. We ask that no additional guests or children come to the appointment.
- **Masks** - All staff and clients will be required to wear masks that cover their nose and mouth. Please wear a mask that secures behind the ears.
- **Blow-drying** - Blow-dries will be restricted to a specific area of the salon and limited based on necessity and availability.
- **Changing Room & Capes** - Our changing room will temporarily be closed. All clients will be provided a freshly laundered or disposable cape to wear over their clothes. Please dress accordingly.
- **Beverages** - We will not be offering beverages at this time.

If you have an underlying health condition that may put you at a higher risk of infection, we ask that you wait to return to the salon until Arizona's Stay-at-Home order has been fully lifted. If you have been ill or around someone who has been ill, please wait 14 days to schedule your appointment.

We appreciate your patience and understanding - we are working to be both accommodating and conscientious of our staff and loyal clients. These new procedures aim to keep our community healthy and looking fabulous!

We love you and look forward to serving you again.

Team Taglio
